

Meeting 4

Date/Time: 14/06/2024, 11:00am -

Week: 3

Attendees: Everyone

Note-taker: Sameera

Agenda

Item	Discussion
Discuss progress on iteration 1	Discussed and gave updates on our progress. Provided estimated time of completion for certain tasks.
Functions that have been completed and marked as closed on issue board	<ul style="list-style-type: none">- Clear function- adminAuthregister- adminQuizCreate
DataStore.js	Discussed dataStore.js and whether it should be empty, but decided it makes sense to keep it the same as dataStore should be empty upon program running.
Picked a presentation time	Selected 12:10-12:20 pm Tuesday week 11 for our presentation time.

Action Items

- Our set deadline for (the rest of the functions that haven't been completed yet)
Iteration 1: Wednesday 19th June
- Next stand up will be on posted by at least Monday 17th June
